

“Unprecedented. Zoom. Alone but together. Virtual. Social distancing.”

Dear Associational Partners (DOM’s) and Associational WMU Directors,

These are words that we have heard a lot the last few months. If you would have told me 6 months ago that we would be going through a pandemic and these words would be commonplace, I wouldn’t have believed you! In some ways, these have been very difficult days. With the pandemic, rioting and discord in our country, our eyes must be on the Lord to see us through. “He is our refuge and strength, a very present help in trouble.”

This is our time in the year that we reach out to the associations and want to hear about your current WMU leadership. We want to know your current leaders so that we can reach out to them by visits, phone and e-mail. We want to encourage them in their roles. It doesn’t matter if WMU is growing by leaps and bounds, or barely hanging on, we still want to know. If you have a large team or just a one-woman team, we want to know that. Each association is different and it doesn’t matter the size of your team. We just want current information so that we can be current and contact the correct people. Sometimes people don’t get our e-mails or mail, because we are writing the Associational leaders from years ago! We very much want to know the status currently.

We hope if you have access to the web, that you are regularly visiting our website. It has all the flyers and dates and information you will need. Our trainings this year will be online. We will let you know when they are up on the website. They will be a great resource for you.

If you haven’t had your **FOCUS on WMU** Sunday yet this year, let me encourage you that it doesn’t have to be in February. We can get speakers to come to your church or association- it doesn’t matter the size of the church. We have faithful board members that are excellent speakers and we want to come and encourage your churches

Thank you for filling out the attachment. If you do not have an Associational WMU Director, you are free to just e-mail us back and let us know. If you would be so kind as to tell us any churches that possibly have WMU that would be very helpful.

We have no other agenda but to help you in your associations to inform, inspire and communicate the need for Christians to be involved in reaching the world for Christ. Let us know how we can help you.

We would be grateful if you would:

1. Put us on your Associational newsletter list, either through snail mail or e-mail
2. Fill out the attached form

In His Love,

Amy Pardue Boone, Executive Director/Treasurer- WMU NC
