

Tips for Using RA Curriculum

Follow these tips to making the most of your Royal Ambassadors® resources.

RA Leader

- Order a subscription for every RA® leader.
- Review the leadership articles at the front of each magazine.
- Read the monthly session plans. Highlight activities and stories you will use each week. Adapt as necessary.
- Gather and organize your supplies.
- Make plans for projects and activities.

RA Leader Kit

- Order a subscription for each RA classroom.
- Prepare posters, activities, and games as directed in *RA Leader*.
- Keep unused posters in a file or large envelope for future use.
- Remember, posters are labeled at the bottom by the week they are to be used.

RA World

- Order a subscription for each RA.
- Preview activities as you prepare each week's lesson found in *RA Leader*.
- Hint: *RA Leader* lessons give page numbers for each corresponding *RA World* activity.
- Give instructions to RAs and encourage them as they work on puzzles, games, and activities that correspond to your weekly lesson.
- When you are finished with this quarter's curriculum, send the magazines home with the boys and encourage them to complete any unfinished activities.
