

Tips for Using GA Curriculum

Follow these tips to making the most of your Girls in Action® resources.

GA Leader

- Order a subscription for every GA® leader.
- Review the leadership articles at the front of each magazine.
- Read the monthly session plans. Highlight activities and stories you will use each week. Adapt as necessary.
- Gather and organize your supplies.
- Make plans for projects and activities.

GA Leader Kit

- Order a subscription for each GA classroom.
- Prepare posters, activities, and games as directed in *GA Leader*.
- Keep unused posters in a file or large envelope for future use.
- Remember, posters are labeled at the bottom by the week they are to be used.

GA World

- Order a subscription for each GA.
- Preview activities as you prepare each week's lesson found in *GA Leader*.
- Hint: *GA Leader* lessons give page numbers for each corresponding *GA World* activity.
- Give instructions to GAs and encourage them as they work on puzzles, games, and activities that correspond to your weekly lesson.
- When you are finished with this quarter's curriculum, send the magazines home with the girls and encourage them to complete any unfinished activities.

To order subscriptions to *GA Leader*, *GA Leader Kit*, and *GA World*, visit wmustore.com or call WMU® Customer Service at 1-800-968-7301.
