Please join us in praying that

- Members of WMU organizations would know the breadth and depth of God's love for them.
- Out of the knowledge of God's love, members of WMU organizations would be compelled to share Christ's love with the world.
- Recipients of gifts and offerings would be blessed with opportunities to use those gifts and offerings to make Jesus' name known to the nations.
- Preschoolers, children and students would develop hearts for God's missional calling.
- WMU ministries would lead others to know of God's unshakable pursuit of them.
